CLIMATE

Maurice has a subtropical climate. There is little variation in seasonal temperature. The weather is usually pleasant and sunny. The sea temperature is around 27°C. Evenings and nights are cooler and temperatures can go down to 15°. As a precautionary measure, it is recommended to bring warm clothes and an umbrella/raincoat for the open air screenings.

SECURITY

Mauritius is a safe country with relatively low crime rates. Nevertheless, please ensure to not leave your personal belongings unguarded. The Festival's organisers will not be held responsible for any loss of belongings during your trip.
